

Privacy Policy of LeafCAD product family

Date of entry into force: April 10, 2023

Last modification: April 10, 2023

This translation is provided for convenience only and the French version shall prevail in case of any discrepancies.

Welcome to the LeafCAD product range by Beautec Enr,

OnClock, defined here as the product to which the policy applies, is part of the LeafCAD product range owned by Beautec Enr entity.

Beautec Enr is based in the province of Quebec in Canada and must comply with Quebec province regulations. Therefore, the privacy policy has been based on local laws.

If you do not understand any term of this policy, [please contact us](#) before using our products.

To lighten the text and readability of it, the words “product” and “products” refer to the websites, web applications, mobile applications and APIs of LeafCAD product range products.

1. Usage

We only ask for personal information when we really need it to provide you with a service.

We only keep the information collected for as long as necessary to provide you with the requested service. The data we store will be protected by commercially acceptable means to prevent loss and theft, as well as unauthorized access, disclosure, copying, use or modification.

We do not disclose personal identification information to the public or third parties except as required by law.

2. Navigation

The LeafCAD product range contains links to external sites. Beautec is not responsible for the content of these sites or their privacy practices.

3. Cookies and web audience measurement

LeafCAD products use third-party provider cookies in addition to using cookies:

- related login
- related to the processing of purchases
- form-related

Third-party cookies and information about the types of cookies mentioned above can be found in our ***Terms of Use and Sale of LeafCAD product services.***

It is also possible to configure your browser to block cookies, but this could affect your browsing and use experience of our products.

4. We respect your right to refuse

You are free to refuse our request for personal information, knowing that we may be unable to provide you with some of our products.

5. Data security

We use commercially reasonable security measures to protect your information.

However, no system is impenetrable. If you create an account for the products, you are responsible for protecting the security of your account, its content, and all activities that occur in the account or in connection with our products. You must immediately notify Beautec of any unauthorized use of your account or any other security breach by emailing us at contact@beautec.ca.

6. Do you have any questions?

Your continued use of our products will be deemed acceptance of our privacy and personal information practices. If you have any questions about how we handle user data and personal information, please do not hesitate to contact us.
